Gentlemen:

For the convenience of our customers and to enable us to handle our increasing business more effectively, we have removed our Executive offices to 144 West 72nd Street, to which address mail should be forwarded in the future.

We have also had to increase the number of incoming lines to our telephone switchboard and this has necessitated a change in number. Our new telephone series is Trafalgar 7-9760.

We hope you will visit us in our new quarters and I want to assure you, personally, of our appreciation of your patronage and our best endeavors at all times to give your orders prompt and courteous attention.

Yours very truly,
THOMAS WARD COAL COMPANY

President.
